

Direct Loan Online Instructions

As part of your Financial Aid awards package, you were awarded funds from the Federal Direct Loan Program*. A separate application is required for loans from this program. Please follow the steps below to complete the application process.

1. Begin the loan application process by clicking the link in step one for www.studentloans.gov

For first year students:

- a. Click on Sign In (use Federal Student Aid PIN number)
- b. Click on Complete Entrance Counseling
- c. Click on Complete MPN (then choose Subsidized/Unsubsidized)

For returning students:

- a. Click on Sign In (use Federal Student Aid PIN number)
- b. Click on Complete MPN (then choose Subsidized/Unsubsidized)

This application is hosted by the U.S. Department of Education. When you complete these steps, we will be able to process the student loans for which you are eligible.

*Subsidized direct loans are interest free loans while you are enrolled in school at least half-time in a degree granting program. For 2014-2015, the interest rate for Direct Subsidized/Unsubsidized Loans for undergraduates will be 3.86%. Unsubsidized Direct loans are loans that interest accrues while the student is enrolled in school and during the repayment period.

Once you have completed the application please email your Financial Aid Advisor:
