

Along with Pell Grants, Student Loans, and North Carolina Need Base Scholarships (NC residents only), North Carolina Wesleyan College Office of Adult & Professional Studies offers our adult learners the following discounts and internal grants.

Discounts (students can only qualify for one discount so if they fall into two categories, we give them the highest discount).

Military (Veteran)	10% off, year round, does not matter how many hours they take.
NCDPS Employee	20% off, fall and spring ONLY, does not matter how many hours they take.
Central Carolina CC	12% off, year round, does not matter how many hours they take. This one is meant just for Central Carolina CC students but we can apply this to other students as needed if we need to offer a special discount. The discount code does not mean they belong to a certain location.

Internal Grants (grants can be combined with discounts to achieve greater savings).

2+ Wesleyan	2+ Wesleyan is a grant package that reduces our tuition to equal or less than attending a 4 year State University as a commuting student for graduates of Wilson, Edgecombe, Nash, and Wake Tech community colleges who attend our Rocky Mount or Durham campuses. This award is not granted if a student attends any other campus. This award is applied every fall and spring for students with full-time status.
Methodist Member	Members of a Methodist Church (except AME churches that are not affiliated with the NC Methodist Convention) receive 20% off tuition as an internal award. This applies to spring and fall only and only for students with full-time status.
Phi Theta Kappa	If a NC community college graduate was part of the Phi Theta Kappa honor society, they receive a \$250 internal grant every fall and spring with full time status.
