Payment Information for Classes

****All tuition payments are due within 60 days from the last day of the course****

(Please check one:)

ERP: I plan to use Employer Reimbursement benefits to pay the tuition for the above classes. This means that I am responsible for the payment on my account and my employer will reimburse me. A bill will be sent to me to turn into my employer after classes end. I am responsible for paying a \$50 deposit for each class that I register for. This deposit is non-refundable and non-transferable.

3rd Party: I plan to use 3rd Party benefits to pay the tuition for the above classes. This means that a bill will be sent to my employer after classes end. My employer will then send payment to the College.

As a student at North Carolina Wesleyan College, I understand that it is still my responsibility to pay the tuition and fees on my account even if my employer fails to pay as promised. I will be permitted to carry a balance forward on my account up to \$3,000 as long as all previous balances that are due have been paid and the account is current.

I agree that failure to pay by the stated due date (60 days from the last day of the course) constitutes default of this agreement and that I will be responsible for all collection fees/cost in addition to the tuition. I understand that default may result in loss of future ERP and 3rd Party privileges and/or suspension from attending further classes. All services of the College may be withheld until payment is received.
