**PROMISSORY NOTE
NOTICE OF PENDING FINANCIAL AID**

STUDENT NAME: _____ STUDENT ID#: _____

I promise to pay to North Carolina Wesleyan College \$ _____ or any additional amount due for tuition, college fees, room & board and other charges due for the semester/term. I understand that this is an estimate of my personal obligation and that it is not contingent upon actual receipt of any allowances, awards, or other forms of reimbursement for which I may or may not be eligible.

Any additional charges that I may incur while enrolled at NCWC are also covered by this promissory note. Until all amounts due are paid in full the College may withhold transcripts, diplomas, and prohibit me from pre-registration for subsequent semesters. I further understand that neither suspension nor a withdrawal from the college will relieve me of this financial obligation to the college. Failure to pay this balance as scheduled constitutes a default under the terms of this agreement and will result in suspension from classes and withholding of all college services.
