

APPLICATION FOR READMISSION

Any student who has previously attended North Carolina Wesleyan College and wishes to return after an absence of one semester or longer must apply for readmission. The Application for Readmission is the only acceptable application to be used for the student who is applying for readmission.

Prior to readmission, the student will be required to pay any past due tuition or loans. Also, if the applicant has attended another post-secondary institution during the absence, an **official** transcript from each institution must be submitted. An applicant will be denied readmission if all required conditions are not met.

All requirements must be completed within 30 days of the receipt of the application or no later than the last day of late registration, whichever occurs first.
