**SECTION 5: SIGNATURE**

By signing this application I confirm that all information provided above is accurate and that I also understand each of the following points:

- this request for binds me to a housing contract for **the entire academic year**
- while living on campus **I am expected to adhere to all policies outlined in the Student Handbook**
- **if I have a past-due balance, this must be paid in full by June 1<sup>st</sup> or my room reservation will be canceled**
- Residence Life will make every effort to honor the above preferences as well as choices made during the room selection process (if applicable). However, I am also aware that changes in NCWC’s housing allocations/layout may become necessary as administration becomes increasingly clear on the number of students planning to attend and in need of housing for the next academic year. Therefore, I understand that I may ultimately be assigned to housing that does not align with my initial selection or ideal preferences.
