All new residential students are automatically enrolled in the Unlimited Meal Plan. This plan allows students to come into the cafeteria as often as they like to grab whatever they desire (no matter whether it is a full meal, coffee, a piece of fruit, etc.), or just to socialize, without ever having to worry about running out of meal swipes. This plan is required of all new residential students for their entire first year as it gives them the most access to dining while they get acclimated to the campus and their schedules.
