

## 2018-2019 SOCIAL SECURITY NUMBER VERIFICATION

DIRECTIONS: You must verify your social security number for processing of your 2018-2019 Free Application for Federal Student Aid (FAFSA) to continue. **Please list your name and social security number below as they appear on your social security card. Attach a copy of your social security card** with this completed document and return it to the Office of Financial Aid at the address listed at the bottom of this form.

If we determine that your social security number is:

- *Incorrect*, the Office of Financial Aid & Scholarships will submit your correct social security number to the Department of Education. This will allow us to continue processing your application.
- *Correct*, but the Social Security Administration (SSA) is unable to verify that it corresponds to your name and birthdate, you must contact a local or regional SSA office directly to provide them with the correct information and supporting documentation before OSFA can submit a correction to the Department of Education.

If you do not have a social security card or it is lost, please call the SSA at 1-800-772-1213 to obtain a new card and temporary proof of your social security number.

**Please type or print neatly in ink your name and social security number exactly as they appear on your social security card.**
