Thank you for reaching out to us about your need! We will be getting back with you soon about funds available for scholarships. Please know, all scholarship funds available from our institute are provided by charitable organizations and are limited. **While you wait to hear from us, here are some other ways you can get financial help:** 1) Reach out to your church/church leader 2) Send our support letter out to your church, family and friends. We have attached a "Sample Support Letter" on our website to help! We are praying for you and your need asking the Father, the Giver of All, to provide for you! (Matt. 7:7-8) We hope you will join us in doing the same.
