Graduation Applications	November 15 – January 15 for May/ April 1 – June 15 for August	
May Graduation Commencement	Saturday, May 2, 2019	

My.NCWC.edu: All students must use my.ncwc.edu for class syllabus and assignments, college announcements, teacher communication, and report cards. See staff for login information or call the helpdesk at 252-984-5000.

Syllabus: Will be posted one week before class starts. Retrieve a copy of your course syllabus through my.ncwc.edu, click on “My Courses” and then each individual course. Remember that courses have assignments due on the first night.

Tuition: *\$355 per semester hour* (2018-2019) for online and seated courses.

Attendance: Students are required to attend all classes. Attendance on the first night is mandatory. Failure to attend the first night, without previous approval from the instructor, can result in being removed from the class. In the event of an absence, the student is responsible for notifying the instructor ahead of time. Missing more than twenty percent of a course could result in a failing grade.

Drop Dates: Students must drop the course by the Tuesday after the first week of class in order to receive a full tuition refund (all sessions start on a Monday, regardless of the day the class actually starts). You may be able to replace a dropped course with another course in the same session, depending on the instructor’s approval. Classes must be dropped before the fourth night to receive a W. Students are required to submit a drop form. A course cannot be withdrawn after midpoint.

Textbook Ordering: If you are using financial aid to order textbooks, complete a Book Voucher and submit it to Joy Smallwood at jsmallwood@ncwc.edu. Students can only submit Book Vouchers for each session at a time.

Financial Aid: Remember to track your financial aid on my.ncwc.edu and submit any missing documents. Please email Lori Tyndall at ltyndall@ncwc.edu if you have any questions or concerns regarding your financial aid.

Tutoring: Online tutoring is available *24 hours a day!* You can access this through my.ncwc.edu. If you are having difficulties with writing, math or other subjects, log in today for one-on-one tutoring, real-time help or just to ask a question.
