

PROVIDER NETWORK

CEC has the largest provider network in North Carolina. CEC's expansive network encompasses more than 1,600 providers in North Carolina. With so many providers to choose from, virtually every CEC member will be able to see their preferred provider in-network.

Private practices including both optometrists and ophthalmologists

26 national and regional retail chains in-network, including all full service locations

National network of LASIK providers including TLC Laser Eye Centers

Coastal™

Members will enjoy using CEC's in-network online retailer, Coastal.com, for their eyewear needs. Coastal.com offers prescription and non-prescription glasses and all major brands of contact lenses.

WHAT OUR CLIENTS HAVE TO SAY...

"Adding a CEC vision plan to our benefit package was one of the best decisions we ever made. Our employees hardly ever went to the eye doctor and some had never been before. Now that we cover all of our employees, they go on a regular basis."
