Bachelor of Science in Nursing RN to BSN

PROGRAM START DATES: JANUARY, MAY & AUGUST*

CONVENIENT

Coursework for the RN to BSN program is 100% online in accelerated 8-week terms.

FLEXIBLE

Complete coursework at your pace with a full-time or part-time schedule. Featuring multiple start dates, begin when you are ready and finish in as little as 12 months.**

AFFORDABLE

Maximize your transfer credits. Tuition is benchmarked against private institutions and there are minimal fees. Plus, financial aid and scholarships are available.

EXPERIENCED

Our engaging faculty have real-world professional experience to ensure you are challenged and supported through practical coursework.

Admissions Criteria

- Application for admission (new graduates must complete licensure prior to application)
- Associate degree (ADN) or diploma in nursing from a regionally accredited institution
- A current, unencumbered license as a Registered Nurse from the state in which the student resides***
- Professional liability insurance
- Valid CPR certification
- Minimum GPA of 2.0 and must have a "C" or better in all transfer credits
- "C" or better in all required nursing prerequisites
- Must pass a criminal background check

*NUR major courses start in January, May and August. Students can also begin with general education and/or elective requirements in March, June and October

**This does not include required general education courses, as this may differ per student based on what they are able to transfer in to the program.

***Must reside in a SARA (State Authorization Reciprocity Agreement) approved state. See website for details.
