

## **Master of Science in Athletic Training at SRU-An Articulation Agreement with North Carolina Wesleyan College EXS Program**

The Athletic Training (AT) Program at Slippery Rock University is a combination of rigorous academic instruction and authentic clinical experience. The AT Program prepares proficient healthcare practitioners who will collaborate with other medical professionals to optimize the activity and wellness of patients and clients in sport, work, and life. The Athletic Training program at Slippery Rock University engages students in the science of athletic training focusing on patient-centered injury and illness prevention, diagnosis, treatment and care. Specifically, the SRU AT Graduate Program emphasizes a distinct concentration on advanced therapeutic rehabilitation interventions.

**Slippery Rock University will accept a minimum of two qualified applicants from the EXS department at NCWC who meet the aforementioned criteria and have provided Slippery Rock University all necessary paperwork.**
