## Financial Aid

Students intending to apply for federal aid should have a 2021-22 FAFSA (School Code 002951) on file with the Office of Financial Aid prior to the first day of classes. Federal aid is limited to remaining academic year eligibility (if any) for Pell Grants, Perkins Loans, Direct Loans, and PLUS Loans. Federal aid applicants must meet satisfactory academic progress requirements. A student who begins attendance in all classes during a summer term is awarded aid based on the enrollment status at the time of disbursement, even if his or her enrollment status changes subsequently. A student who withdraws from all courses is subject to the return of aid funds.
