

Fall 2023 Campus Arrival Guide

Please review this guide carefully and contact the appropriate campus office with any questions.

STEP 1 – Clear Your Business Account

All students should be cleared with the Business Office no later than 14 days prior to your assigned move-in date. Students not cleared by the Business Office will not be able to move into their residence hall until they are clear. Students should login to their my.NCWC.edu account, click the 'My Finances' tab on the top menu and check the Financial Aid and Business Office links on the side menu. Payments can be made via [Cashnet](#). You should also be on the lookout for emails from the Business Office and Financial Aid Office with important information about your account. Questions about your account should be directed to the appropriate office:

Adherence to this day/time is critical to help us prepare for your arrival. If you have a legitimate reason that prohibits you from arriving on your scheduled date/time, you must email ResLife@ncwc.edu for permission to arrive at an alternate date/time. (Students who are part of a team/organization cleared to arrive outside of the schedule below will receive arrival communication from the coach or organization advisor.)

Once you have cleared the initial checkpoint, you may proceed to your residence hall (resident) or other location (commuter). If you are not cleared with one or more University offices, you will be directed to the Dunn Center to address this prior to proceeding to your residence hall or other locations.

STEP 3 – Residential Students: Proceed to your Residence Hall!

- ✓ Once you have cleared the checkpoint OR been given clearance at the Dunn Center:

- You will receive your room key upon arrival at the residence hall.
- You will be requested to unload all belongings and park your vehicle prior to beginning room set-up.
- Once you have unloaded your belongings, you will be directed to parking areas.
