

Bachelor of Science in Nursing

RN to BSN

Get \$1,400 each year with our 2+ Wesleyan Scholarship!

Saving Lives, Becoming Heros.

If you are a registered nurse with an associate degree or diploma certificate in nursing, North Carolina Wesleyan University's Bachelor of Science in Nursing (RN to BSN) program can prepare you for an advanced professional role in the healthcare system **in as little as 12 months***. Obtaining your RN to BSN degree will position you to drive change and transform the landscape of healthcare for the betterment of those receiving your services. Established with insight from healthcare employers, NCWU's **100% online** RN to BSN program will provide registered nurses with a broadened skill set to integrate new and innovative knowledge into daily nursing practice.

CONVENIENT

Take classes from anywhere! Balance work, home and school with this 100% online, accelerated 8-week term program.

FLEXIBLE

Complete your degree at your pace with a full-time or part-time schedule. Featuring multiple start times per year, begin when you are ready.

AFFORDABLE

Maximize your transfer credits. NC Wesleyan's tuition rates are extremely competitive compared to other graduate schools in the U.S.

EXPERIENCED

Our faculty has real-world professional experience to ensure you are challenged and supported through practical coursework.

Program Start Dates: January, May & August**
