

Sociology

Bachelor of Arts

The Sociology program focuses on the systematic study of social institutions and social relationships through the application of theory and research. Courses give students the opportunity to examine social change and analyze issues that surround us daily, such as race, gender, social class, deviant behavior, family environments and more.

Career Options:

- Firms Employing Survey Research Methods.
- Public Agencies that Coordinate Services for People or Families.
- Social and Mental Health Agencies.
- Criminal Justice Agencies.

Major Requirements:

Principles of Sociology
Social Research Methods
Sociology in the Field
