

# Sports Administration

Bachelor of Science

The Sports Administration major exposes students to practical and theoretical aspects of the various components related to the administration and management of sport facilities, programs, and businesses. This program will provide an in-depth study of the sports industry and equip students with the knowledge and skills that are useful within a variety of related fields. Students will learn sports administration ethics, organizational management, sport facility and event management, communication of sporting events, and other topics related to the field.
